### TruGlobal Socket –

**TruGlobal** Socket accepts A, B, C, E, F, G, H, I, J and L plug types and is thus compatible with plugs used by virtually every traveler worldwide.

It is also the first socket in its type and class to comply with IEC 60884- 1:2002, BS546, BS1363-1, AS/NZS 3112 and SEV 1011 standards.

**USB Charger & Hub** The USB port is fast becoming the most important source of electrical power for mobile devices.

This all-in-one charger recharges 3 devices simultaneously with no need for a computer.

It also allows normal data sharing when a computer is plugged in.
